## Good Samaritan Award

Good Samaritan Project

This weeks good Samaritan award Velosh in Year 1 for helping a friend at lunchtime

Dear Parents and Carers,

We have had another busy week at school, although it has felt like winter with the cold weather!

The whole school has had a great time in science week by doing different experiments, and it was great to see everyone dressed up in their costumes today. There were lots of different jobs being shown off which is fantastic.

Some of our science experiments this week included:

- Making fireworks with oil, water and food colouring in Nursery
- Rocket mice in Year 1
- Colour changing paper flowers in Year 2
- No electricity investigation in Year 4
- Square bubbles in Year 6

We hope everyone had a good weekend!

Jorawar, Year 6

**If you have any safeguarding concerns please ask to speak to one of the following adults: Mr Rowden (Deputy Head, Designated Safeguarding lead) Miss Hodis (EYFS—Year 3 Lead), Mrs Coates (Headteacher), or Miss Higgins (Assistant Headteacher, SENDCo).**

Our school values:

During the week all the staff will be looking out for exceptional examples of when children are showing these values and they may be awarded a certificate in Friday's assembly.

What value did you show this week to your friends? Which value do you think you will be able to show next week?

2024 Autumn Term

## ASTHMA

**Asthma is a common lung condition that causes occasional breathing difficulties.**

It affects people of all ages and often starts in childhood, although it can also develop for the first time in adults.

There's currently no cure, but there are simple treatments that can help keep the symptoms under control so it does not have a big impact on your life.

### **3 ways to help manage your child's asthma well:**

- 1. Have an asthma action plan** – follow this plan to help manage your child's asthma, it will help reduce their chances of having an asthma attack!
- 2. Set reminders for your preventer** – if prescribed, remember this needs to be taken everyday to control your child's asthma!
- 3. Keep your reliver inhaler with you at all times** – easy access is needed for an emergency!

**NHS Central and North West London NHS Foundation Trust**

**Symptoms:** Tight chest, Struggling to speak, Wheezing, Coughing, Lack of energy

**Understand what triggers your child's asthma**

**Remember your child needs a spacer with their inhaler!**

Wellbeing for life

**Can't walk the whole way?**  
Try to park in the blue zone where permitted and walk the rest of the trip.

**Did you know?**  
Pollution levels are higher inside the car than outside.

**If you need to drive – don't idle!**  
It's a waste of money and pollutes the air that we breathe!

## Skip your ride, take a stride

### ST MARTIN'S PRIMARY SCHOOL WALK ZONE MAP

Let's make walking part of your daily routine!

**Key:**

- 5 minute walking zone
- 10 minute walking zone
- Bus stop
- Zebra crossing
- Pedestrian crossing
- School entrance
- Library
