Willow	89.3%

Good Samaritan Award

Good Samaritan Project

This weeks good Samaritan award goes to Tia in nursery for being very kind to a visiting child.

Dear Parents and Carers,

This week St Martin's has been incredibly busy as students have been learning new skills and focusing on their writing.

The Lighthouse group mastered the skill of threading pasta, while Nursery made flower pots from egg cartons.

Reception explored 2d and 3d shapes and worked on identifying patterns. Year 1 excelled in their assessments, staying focused and making good choices. Year 2 enjoyed using a tool called Scrutch in ICT.

Year 3 worked on their big writing assignment about Egypt and Year 4 studied different comparisons of two writing styles related to Jesus' arrest.

Year 5 focused on creating persuasive advertisements, and Year 6 had fun researching and writing their own non-chronological reports.

Written by Oak Class

If you have any safeguarding concerns please ask to speak to one of the following adults: Mr Rowden (Deputy Head, Designated Safeguarding lead) Miss Hodis (EYFS—Year 3 Lead), Mrs Coates (Headteacher), or Miss Higgins (Assistant Headteacher, SENDCo).

Our school values:

During the week all the staff will be looking out for exceptional examples of when children are showing these values and they may be awarded a certificate in Friday's assembly.

What value did you show this week to your friends? Which value do you think you will be able to show next week?

2024 Autumn Term

ASTHMA

Asthma is a common lung condition that causes occasional breathing difficulties.

It affects people of all ages and often starts in childhood, although it can also develop for the first time in adults.

There's currently no cure, but there are simple treatments that can help keep the symptoms under control so it does not have a big impact on your life.

3 ways to help manage your child's asthma well:

- 1. Have an asthma action plan** – follow this plan to help manage your child's asthma, it will help reduce their chances of having an asthma attack!
- 2. Set reminders for your preventer** – if prescribed, remember this needs to be taken everyday to control your child's asthma!
- 3. Keep your reliver inhaler with you at all times** – easy access is needed for an emergency!

NHS Central and North West London NHS Foundation Trust

Symptoms: Tight chest, Struggling to speak, Coughing, Wheezing, Lack of energy

Triggers: stress, cold air, food, molds, pollution, pollen, pets, infections, dust mite, smoking

Remember your child needs a spacer with their inhaler!

Understand what triggers your child's asthma

Wellbeing for life

Can't walk the whole way?
Try to park in the blue zone where permitted and walk the rest of the trip.

Did you know?
Pollution levels are higher inside the car than outside.

If you need to drive – don't idle!
It's a waste of money and pollutes the air that we breathe!

Skip your ride, take a stride

ST MARTIN'S PRIMARY SCHOOL WALK ZONE MAP

Let's make walking part of your daily routine!

Key:

- 5 minute walking zone
- 10 minute walking zone
- Bus stop
- Zebra crossing
- Pedestrian crossing
