Good Samaritan Award

Good Samaritan Project

This weeks good Samaritan award goes to Jessica-Mae for showing kindness to a fellow competitor at the cross country event.

Dear Parents and Carers,

As we come to the end of this spring term, we have done many exciting things.

The children of St Martin's used their artistic and poetic skills to represent the stations of the cross this week ending with a exhibition of their work this morning. It was nice to see so many parents enjoying their hard work.

Despite the unstable weather, the children explored their environment by interacting with the blooms of spring and the beautiful sunshine.

We hope you have a restful break and we look forward to hearing about all your adventures when we return to school on 22nd April.

Happy Easter!

Written by Freddie—Beech class

If you have any safeguarding concerns please ask to speak to one of the following adults: Mr Rowden (Deputy Head, Designated Safeguarding lead) Miss Hodis (EYFS—Year 3 Lead), Mrs Coates (Headteacher), or Miss Higgins (Assistant Headteacher, SENDCo).

Our school values:

During the week all the staff will be looking out for exceptional examples of when children are showing these values and they may be awarded a certificate in Friday's assembly.

What value did you show this week to your friends? Which value do you think you will be able to show next week?

School Nursing Shout Out

Primary Schools September – December
2024 Autumn Term

ASTHMA

Asthma is a common lung condition that causes occasional breathing difficulties.

It affects people of all ages and often starts in childhood, although it can also develop for the first time in adults.

There's currently no cure, but there are simple treatments that can help keep the symptoms under control so it does not have a big impact on your life.

3 ways to help manage your child's asthma well:

- 1. Have an asthma action plan** – follow this plan to help manage your child's asthma, it will help reduce their chances of having an asthma attack!
- 2. Set reminders for your preventer** – if prescribed, remember this needs to be taken everyday to control your child's asthma!
- 3. Keep your reliver inhaler with you at all times** – easy access is needed for an emergency!

NHS Central and North West London NHS Foundation Trust

Symptoms: Tight chest, Struggling to speak, Wheezing, Coughing, Lack of energy

Understand what triggers your child's asthma

Remember your child needs a spacer with their inhaler!

Wellbeing for life

Skip your ride, take a stride

ST MARTIN'S PRIMARY SCHOOL WALK ZONE MAP

Let's make walking part of your daily routine!

Key:

- 5 minute walking zone
- 10 minute walking zone
- Bus stop
- Zebra crossing
- Pedestrian crossing
- School entrance
- Library

Can't walk the whole way?
Try to park in the blue zone where permitted and walk the rest of the trip.

Did you know?
Pollution levels are higher inside the car than outside.

If you need to drive – don't idle!
It's a waste of money and pollutes the air that we breathe!
