Good Samaritan Award

Good Samaritan Project

This week's winner of the Good Samaritan Awarded to

Dear Parents and Carers,

What a great week! I have been lucky enough to have spent several days this week in classrooms and looking at the children's books. It is great to see how the children are progressing and enjoying their learning. They try hard to share their understanding with each other and reflect that in their written work. The children have also been coming to see me to share their good work that they are particularly proud of...they really are shining stars!

Over the next few weeks, we will be helping the children understand more about the school's vision after the consultation so hopefully they will start to talk to you about this at home.

I hope everyone has a restful long weekend and look forward to seeing you all on Tuesday morning when I hope the sun will be shining!

If you have any safeguarding concerns please ask to speak to one of the following adults: Miss Hodis (EYFS & Year 1 Lead), Miss Attwood (Assistant Head, Year 2 and 3 Lead), Miss Mohammadi (Year 4,5 and 6 Lead), Mrs Coates (Headteacher), Mr Rowden (Deputy Headteacher) or Miss Higgins (Assistant Head / SENDCo).

Our school values:

During the week all the staff will be looking out for exceptional examples of when children are showing these values and they may be awarded a certificate in Friday's assembly.

What value did you show this week to your friends? Which value do you think you will be able to show next week?

What is DLD?

Developmental Language Disorder is a persistent language difficulty that can't be explained by another condition. It is lifelong and approximately two children in every classroom are impacted by it. It affects all languages, and is not caused by being speaking more than one language.

The Hillingdon Talks, Moves, Plays website has further information and training presentations on DLD for school staff and parents:

Skip your ride, take a stride

ST MARTIN'S PRIMARY SCHOOL WALK ZONE MAP

Let's make walking part of your daily routine!

Key:

-  5 minute walking zone
-  10 minute walking zone
-  Bus stop
-  Zebra crossing
-  Pedestrian crossing
-  School entrance
-  Library

If you need to drive - don't idle! It's a waste of money and pollutes the air that we breathe!

Did you know? Pollution levels are higher inside the car than outside.

Can't walk the whole way? Try to park in the blue zone where permitted and walk the rest of the trip.
