

# Year 1 Spring Term

In literacy, the children have been writing a persuasive letter based on the story of The Three Little Pigs. The letter was addressed to the Three Little Pigs and was written from the wolf's perspective. The children tried to persuade the little pigs to come to his house!

In D&T, the children have been learning about cooking and nutrition. They really enjoyed tasting different types of fruits and vegetables, and then working together to make a tasty fruit salad.

In RE lessons, the children have been learning about what Christians believe God is like. A highlight of this term was when the children visited the church and learnt about the Easter story. This visit has helped the children to reflect on the importance of perseverance and forgiveness.

In science, the children have been learning about materials and their properties. Science week was a real highlight for the children! As part of their investigation, they designed, created and launched rocket mice into the air using a plastic bottle. The mice loved it!

In Geography, the children have been learning about what the weather is like in the UK, comparing this across its different regions.
