

EYFS Spring Term

Literacy: In the early years the children have been exploring helicopter stories. They have learned about different parts of a story and what is needed to make the story interest the reader. The children have read Handa's Surprise and the Three Little Pigs. Inspired by Handa's surprise, the children then made their own fruit surprises!

In DT, the children enjoyed junk modelling! They worked hard to make a range of items from the materials they were given. They also made some yummy pancakes in the cookery room for Shrove Tuesday.

During RE lessons, the children have been learning about the Easter story. They explored why Christians celebrate Easter and also how churches are decorated. They also talked about how Christians celebrate with special foods like Easter eggs and hot cross buns.

The children have been thinking about different celebrations like St Patrick's Day, Mother's Day, Eid and Easter and have made cards for them. The children have also been learning about plants and have planted seeds and watched them grow in their greenhouse!
