Evidencing the impact of the Primary PE and Sport Premium St Martin's CE School 2021-22

Commissioned by

Department for Education

Created by

It is important that your grant is used effectively and based on school need. The <u>Education Inspection</u> <u>Framework</u> (Ofsted 2019 p64) makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education criteria</u> (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit <u>gov.uk</u> for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31**st **July 2022** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click <u>HERE</u>.

Supported by:

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
 Create Development Real Legacy School – we now have staff trained in the delivery of Real PE and our PE Coordinator is trained in – Real PE, Real Gym, Real Play and Real Leaders. 	 Due to COVID-19, staff have not had the opportunity to develop and fully apply their CPD from Real Legacy.
 Ofsted 2020: 'Pupils are motivated to improve their health and fitness in physical education (PE). Teachers can plan a well-sequenced curriculum to develop pupils' knowledge and skills. Pupils maturely 	 To develop and maintain high standards of PE and School Sport; raise levels of participation and staff expertise, whilst adapting to COVID-19 restrictions and protocols.
discuss how well PE helps them to learn skills such as cooperation and teambuilding.'	 To raise the profile of physical activity across the school, ensuring it links closely to other areas of the school curriculum e.g. PSHE and Science.

Meeting national curriculum requirements for swimming and water safety.	Swimming lessons begin in Year 4 in St Martin's School.
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	59%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	62%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	44%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2021-22	Total fund allocated: £17,178	Date Updated:	July 2022	
	Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that P primary school pupils undertake at least 30 minutes of physical activity a day in school			
Intent	Implementation		Impact	% Sustainability and suggested next steps:
To provide high quality teacher led PE lessons for all pupils.	To use CPD opportunities for teachers – through both PSD and Create Development to raise the standard of PE lessons. To use specialist sports coaches (PSD) to deliver high quality PE lessons.	See indicator 3 (£4670 and £7595)	Pupils are more engaged in regular physical activity during their teacher led PE timeslot. Pupil voice and monitoring has shown that pupils are now more engaged in lessons. Pupils are engaged in high quality	Ensure mentoring/support is available for staff to implement consistently high quality teaching of PE. Create Development on hand for support via email. Lessons are shared and recorded as a CPD opportunity if required
To provide high quality PE lessons for all pupils delivered by sports specialists coaches.	To use sports specialist coaches from PSD to deliver sports specific PE lessons, such as: Dance, Gym, Games and general Physical Education.	£3960	physical activity, providing a range of expertise and differentiation and challenge for all during their sports specialist coaching PE lesson. PSD have provided this consistently. Pupil	Pupil well-being is a high priority therefore we will allocate extra PSHE, well-being physically active sessions with a learning mentor, who has a sports specialist coach
